Call-in: 888-421-1442 or 716-855-4950 and refer to DoDDS.

PASSPORT: We are VERY close to Niagara Falls and the Canadian border! Many of you may want to view the Falls from the Canadian side (I've been told it is a better view.) and to do so, you will need your identification – Passport or federal ID card.

TULSA: Another “hit” for 420 Attendees!! We had a great time and managed to leave a week before the tornado hit downtown! Reports on the location, hotel, facilities, and tours were positive. I have received many comments on how much attendees learned about the history of Tulsa.
