

Dear DoDDS Friends,

Our committee has worked diligently for the past year to make our Reunion XXXII in Omaha a big success. I know that you have questions about the ever-changing situation that we are currently facing. Our Reunion in Omaha is still on at this time. I continue to monitor the situation and stay in contact with our hotel personnel. We are still over three and a half months out. The hotel is currently looking at two months in advance. If things change, I will evaluate our options and let everyone know.

In the meantime, think positive, stay safe and pray that this situation comes to a close soon.

Harry Stine

Chair

Reunion Committee
