

OMAHA REUNION

15-19 July 2020

CANCELLED

This has been a difficult and sad decision to make. I regret to inform you that I in conjunction with the Hilton Omaha have made the decision that we cannot safely hold Reunion XXXII this year. Were we to go ahead with the Reunion, it would not be the same: no tours; no groups larger than 10; 5 people to a 10 person banquet table. We are well under 10% who indicated they wanted to proceed.

The entire room block has been cancelled by the hotel so those of you who had reservations at the Hilton **do not need to call** in order to cancel your room reservation. It has been automatically cancelled for you.

Those of you who requested a refund from me already will receive that sometime in June (penalty free).

All others have been automatically rolled over and you are registered for Reunion XXXIII in the mystery city (for now) to be held in 2021.

If you already registered for Omaha and wish to cancel for this year and prefer to get a refund now that can be done too without penalty. If you indicated that you want to cancel but have changed your mind and would like those funds to carry over to 2021, please let me know ASAP.

We are also going to need to **increase** registration fees for next year by \$10. Costs of everything have been constantly rising. I've worked diligently to keep the registration fee as it has been. However, I've lost some locations/hotels due to the funds we have. Those of you who have already requested to roll over your Omaha registration to 2021 **will not need** to send in \$10 to cover the increase in next year's registration fee. You are "grandfathered" (or is it "grandpersoned" now) and are good to go.

We will be posting the teaser revealing the location for the 2021 Reunion on our website on 18 July 2020. 8 PM Eastern; 7 PM Central; 6 PM Mountain; and 5 PM Pacific.
