

## The Original BOYS TOWN

When Father Edward J. Flanagan purchased the Overlook Farm in 1921, it became the new, permanent site of Boys Town. Over the decades that followed, schools, churches and homes were built, and tens of thousands of young lives were transformed. When you visit the Village of Boys Town, a National Historic Landmark District, you'll get an unforgettable glimpse into the history of an organization that has given new hope to so many at-risk children over the past 100 years. “One of the more cool things in this hanger is a Russian **MIG-21** from the North Vietnamese Air Force that was flown to the south by a pilot who wanted to defect. It still has the North Vietnam star on the side of the plane. There also a **B-25**, an **F-111**, and an **F-101** in the hanger along with many other planes. That's right. All in one hanger. I'm tellin' ya - it's a big joint!”
